

Places of Interest:

- Watch the episode of Go Jettors linked below. Create your own Eiffel tower. You could use construction toys you have at home or even spaghetti and marshmallows!

Music and Culture:

- Create your own picture by only using the colours in the French flag – blue, white and red. What pictures are you able to create? You could use paint if you have any available at home.
- Tour de France: Design and then create a medal you could present to the winner of the Tour de France.
- Watch the YouTube introduction to Henri Matisse. Create your own collage inspired by Henri Matisse. Don't worry if you don't have a range of coloured paper, use newspaper or magazine pages to create. Some templates are also in the additional resources.
- Watch the short clip linked below titled 'Learn about Claude Monet'. Either have a go at drawing what you can see out of a window of your home or complete the 'How to Draw an impressionist landscape' link below.

Home Learning Activities

Have a look at the activities offered and aim to complete at least two activities for each day you are not at school. We would love to see what you have been doing, so please share any completed work on your child's Google Classroom account.

This half-term our country to explore is:

France

Language and People:

- French greeting song – Have a go at learning a few French phrases from the song in the links below.

Celebrations:

- Bastille day: Read your wardrobe for any clothes you own that are blue red or white. Create your own fireworks picture – you could get some inspiration from watching displays on YouTube.

Past and present:

- Find the basic recipe for pancakes in the link below. Explore choosing savoury and sweet toppings and see which you prefer.
 - France is known for it's wonderful French bread. Have a go at creating your own bread (a recipe can be found below).
 - Create a city map. What building might you pop onto your map? What different buildings and places may be shown? Try to label the places with help from a grown-up.
