

Swallowfield Lower School

This month, we are celebrating our 40th Birthday! The site in Weathercock Close opened its doors in December 1981. We would welcome any Swallowfield pupils from this time to get in touch. The children would love to hear about school life from the early 1980s and how things have changed since then.

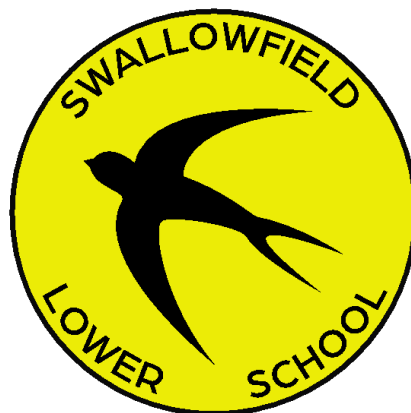

We are planning lots of birthday activities in the coming months. Our plans include an aerial image of a large 40 on the playground and burying a time capsule filled with letters, objects and items key to Swallowfield life in the school grounds. A plaque will accompany this to show the location and to act as a special reminder.

In recent news, Swallowfield Lower School was inspected by Ofsted in October. With more challenging inspection criteria and after a very disrupted two years in education due to the pandemic, we are delighted to have retained our status as a Good school with some extremely positive feedback.

As we look to our exciting future of becoming Swallowfield Primary in September 2022, we are looking for new governors to join our Governing Board. Do you work for a Local Authority? Do you have business experience which you could bring to this local school? If so, please contact us.

If your child/children are due to start Pre-School or School in September and you are considering applying for a place at Swallowfield Lower School or Busy Bees Pre-School, we will be happy to show you and your child/children around with a personal tour.

Please contact the school on 01908 582101 or email office1@swallowfieldlowerschool.co.uk
