

Welcome to Swallowfield Lower School

Exciting times are ahead for Swallowfield Lower School in Woburn Sands as we make the transition to become a primary school from September 2022.

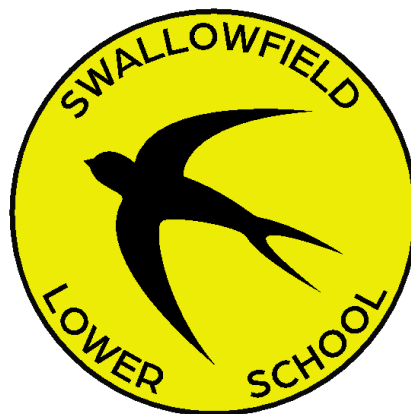

The local school in Weathercock Close provides education for children of all abilities aged 2-9. Over the next two years, this will extend to children aged 10 and 11. Plans are in place and building work will begin in early 2022 to develop the site in preparation for the additional school year groups. The school will then become known as Swallowfield Primary.

Swallowfield offers a secure, happy and effective learning environment in which children, staff, parents and governors work together to accomplish the aim of fulfilling the potential of each child. It was rated as Good by Ofsted in 2016.

The school has some fantastic facilities. It has Busy Bees Pre-School, a swimming pool, an all weather running track, a library bus, an adventure playground and lots of outdoor space to play and learn. Through the fundraising by Swallowfield PTFA (Parents, Teachers & Friends Association), we continue to develop these facilities and provide educational experiences for the children while at school.

You can become part of the school's history as our PTFA are selling engraved bricks that will be built into our school to help support our incredible expansion. To find out more, please visit our website at www.swallowfieldlowerschool.co.uk and search for 'Bricks' or complete the form in Woburn Sands Post Office.

If your child/children are due to start Pre-School or School next year and you are considering applying for a place at Swallowfield, we will be happy to show you around. We have only a few places available in our existing year groups. Please contact the school on 01908 582101 or email office1@swallowfieldlowerschool.co.uk to arrange a visit.
