

Maths

Spend 20 minutes on Numbots.

English

Spend 20 minutes on Bug Club.

Maths

Create a treasure map on a grid. Tell someone at home which steps to take to find the treasure.

Challenge: Write the directions using clockwise and anti-clockwise, left and right and quarter and half turns.

Maths

Carry out a survey of your family to find out what their favourite sea creature is. Record this in a tally chart. Then use your data to make a pictogram or a block graph.

Challenge: What did you find out? What was the least favourite sea creature? How many people did you ask altogether?

Learning Log Tasks - 'Under the Sea'

Choose one of the activities to do each week.

Remember:

- Be creative.
- Feel free to do your own research.
- Present your work neatly.
- You can complete your work on the computer or on paper.
- Write in pencil.
- Upload your work to Google Classroom.

English

Write a poem about the sea. Try to use lots of adjectives to describe the sea.

English

Choose a sea creature and do some research about them. Write a fact file using your research.

PSHE

Design a safety poster about how to stay safe at the seaside.

English

Imagine it's 1912 and you are a news reporter. The Titanic is about to set sail. Record a short video with your report 'live from Southampton'!

Maths

Login to MyMaths and choose a game to play or have a go at completing one of the homework tasks.

Geography

Where is 'The Great Barrier Reef?'

What does it look like? Who/what lives there?

Why do we need to protect it?

Computing

Practise your typing skills on Purple Mash.

1. Login to Purple Mash with your username and password.
2. Click on 'computing'.
3. Click on '2type' and choose an activity.

RE

In our RE lessons we have been learning about sacred texts.

Think of an item that is sacred/special to you. Draw a picture of it and write why it is special.

History

Find out about the Titanic.

Make a timeline to show the key dates and events.

Art

Design your own mythical sea creature (e.g. mermaid and sea monsters). Can you give it a new name?

Geography

Create a presentation or poster about the impact plastic is having on our oceans.

What can we do to help prevent plastic pollution?

Art

Create an ocean scene diorama.

DI

Can you design and create your own model of the Titanic?
