## **Swallowfield Lower School**

We have had a delightfully sunny end to the school year at Swallowfield Lower School. We have packed in a huge amount to the last few weeks of term.

We have planted our Queen's Jubilee tree and moved our fruit trees to their new home in our Jubilee Birthday Orchard. The school grounds are being prepared for our new temporary classroom unit for our new Year 5 classes in September. Plans are in place for the building work to commence on our 5 classroom block and the other changes planned to the school as we transition to Swallowfield Primary.

We welcomed our new children who will be joining us in Reception in the autumn term and enjoyed introducing their families to the school to see our facilities and meet staff. All our children moving to their new year groups have met their teachers and support staff. We are delighted to welcome a number of new teachers and support staff who will join us from September.

It has been wonderful to have an uninterrupted academic year as we celebrated our 40th Birthday and make preparations for the changes from a Lower school to a Primary.

Thank you to everyone who supported and attended our Birthday Bonanza afternoon in July. Everyone had lots of fun on the playground. It was fantastic to see so many smiles in the sunshine.

Thank you to all our staff, children and families - past and present - for making the last 40 years so memorable at Swallowfield Lower School.

We wish you all a happy and healthy summer.
