Swallowfield Primary

There are exciting new changes happening at Swallowfield Primary.

Our children and staff have settled in brilliantly at the start to our new school year. The children look very smart in their new uniform and are enjoying the learning and activities at Swallowfield Primary. They have been able to use all our fantastic facilities including the running track and our swimming pool. Swimming lessons will now be on hold until after Easter as the weather is turning cooler.

Building work for the new classroom block is now in full swing. A temporary road has been laid around the school field to accommodate the vehicles needed during the construction process. Ground has been broken to lay the foundations for the 5 classrooms which will be home to our new Year 5s and Year 6s.

Other work has been happening around the school too. A new toilet block has been installed for our Reception classes in preparation for their move to the front of the school. Scaffolding and fencing will soon be removed. Canopies will be installed and more grass seed sown to create a wonderful garden and outdoor learning area for our youngest children.

You can become part of the school's history as our PTFA (Parents, Teachers and Families Association) are selling engraved bricks that will be built into our school to help support our incredible expansion. To find out more, please visit our website at swallowfieldprimary.com and search for 'Bricks' or complete the form in Woburn Sands Post Office.

If your child is due to start Pre-School or School next September and you are considering applying for a place at Swallowfield Primary or Busy Bees Pre-School, we will be happy to show you around with a personal tour.

Please contact the school on 01908 582101 or email enquiries@swallowfieldprimary.com
