NURTURE • ACHIEVE

What an exciting year 2022 has been at Swallowfield!

There have been new faces, many achievements and lots of changes.

We celebrated our 40th Birthday with a brilliant Birthday Bonanza in July. It was officially the school's Birthday in December 2021 but we waited for warmer weather to celebrate. It was wonderful to see so many Swallowfield families, new and old, joining in all the fun on our field and playground on a very warm and sunny Saturday afternoon.

With a momentous event marking four fantastic decades, more changes came over the summer as we entered a new era and became Swallowfield Primary. Temporary classrooms were craned in for our new Year 5 classes and building work on our new classroom block began.

We welcomed lots of new faces in September, both children and staff, and are delighted with how quickly everyone settled into our Primary school. Regardless of all the physical changes around the school, we continue to focus on our vision and values and how it feels to be part of the Swallowfield family.

Building work for the new classroom block will continue through the winter and we are hoping this will be completed by the Spring. Work can then begin on continuing to improve the outside areas of our school where so much of the children's learning happens.

Thank you to all of you who have supported us throughout this year.
We wish you all a happy and healthy Christmas and New Year.

If your child is due to start Pre-School or School next September and you are considering applying for a place at Swallowfield Primary or Busy Bees Pre-School, we will be happy to show you around with a personal tour.

Please contact the school on 01908 582101 or email enquiries@swallowfieldprimary.com
