Dear Parents and Carers,

We are excited to be supporting the NSPCC by taking part in their annual Number Day on **Friday 3<sup>rd</sup> February 2023** with a rock theme.

Number Day is a great way to make maths fun and bring about a positive, 'can-do' attitude towards it. During the day the children will be taking part in lots of fun 'Rock Day' activities with a Maths theme whereby being linked to TTRockstars and Numbots.

**On this day we will be asking the children and adults around school to dress up as a TTRockstars character and pupils will be invited to wear items of clothing with a rock theme (wigs, inflatable guitars, sunglasses, caps, oversized shirts etc.)** You can be as creative as you wish!

As part of the rock theme and to add enjoyment to the day, during the morning the children will have the opportunity to have a part of their **face painted in a rock theme, their hair colour sprayed or have a rock themed tattoo** that they can choose.

Pupils can choose to have one of the above activities and this will be done during the morning ready for our fun day. **This will be at a price of 50p which the children can bring on the day for the NSPCC.**

Please select which option your child may like through the link below and choose which option they would like:

- Hair Spray
- Face Paint
- Tattoo
- Does not want to partake

Our PTFA will match all money raised for the charity to give to our maths department. This year we would like to purchase new mathematical equipment in preparation for Year 6 next year and for our new Reception Garden.

Thank you for your continued support and we look forward to our Numbers Rock Day 2023!

Yours Sincerely,

Greg McGill and Fiona Sharpe
