Dear Parents/Carers

We wish you all a Happy New Year, hope that you all had a restful, healthy and enjoyable Christmas break, and thank you very much for all your cards and thoughtful gifts.

This term our topics will be 'The Romans' and 'Land Use'. Please see the attached overview for more information about what we are learning in all subjects.

Homework

The home learning tasks for this term have been uploaded to Google Classroom and will also be sent home to keep with your child's learning log. Any completed homework should be submitted via google classrooms in response to the assignment or completed in the learning log and brought into school every Thursday. Photographs or short video clips will be an excellent way to record projects or practical pieces of work. The children will continue to receive weekly spellings on a Monday and will be tested on the Friday of that week. It will not be necessary to submit spelling practice. We understand that it is sometimes difficult to find time for the children to complete their Learning Tasks, but we do encourage them to complete at least one piece a week.

PE

We will continue to have our PE lessons every Tuesday. Your child will need to come to school in their PE kit on this day. We will have one indoor and one outdoor PE lesson (weather permitting), so the children will need to be appropriately dressed. It might be a good idea to wear shorts under tracksuit bottoms, a navy - blue sweatshirt or school fleece will be necessary particularly as the weather is colder, and trainers will be better than plimsoles. We will not be able to offer spare kit to the children so please ensure that your child has the correct pe kit every Tuesday. Also, please ensure that all jewellery and earrings are removed on that day.

Contact

Please use email to communicate with your child's class teacher. Teachers will respond to emails within 48 working hours. If the matter is urgent please telephone the school office. (01908 582101)
