

SUPPORT • INSPIRE
NURTURE • ACHIEVE

**After an exciting and busy year for our school,
2023 continues with more growth for Swallowfield Primary.**

With this growth, Swallowfield's vision and values continue to be at the forefront of everything we do.

SUPPORT: We have a high number of learning support staff who are allocated to year groups to support children in their learning and wellbeing.

NURTURE: We nurture our children through a stimulating curriculum, both inside and outside of the classroom.

INSPIRE: Our OFSTED inspection in October 2021 noted that 'Pupils at Swallowfield are excited by learning. They are keen to share their knowledge and their enjoyment across a broad range of subjects.'

ACHIEVE: We are passionate about developing the whole child and so in addition to academic results, children at Swallowfield receive recognition for their achievements in the classroom and share their accomplishments outside of school.

Plans for changes to the school site will continue during the year and will see the completion of the new 5 classroom block for our older children. Due to the loss of some of the playground with the building work, we have plans to install an all weather sports area, called a MUGA (Multi Use Games Area). This will add to our other fantastic sports facilities of a swimming pool and all weather running track. This ensures all the children can be active during the school day, whatever the weather.

The front of our school is being developed with an outdoor learning environment for our Reception children with canopies installed to enable it to be used all year round. Other changes have been made or are planned to the existing facilities to update them.

If you are considering applying for a place at Swallowfield Primary or Busy Bees Pre-School, we will be happy to show you around with a personal tour.

Please contact the school on 01908 582101 or email enquiries@swallowfieldprimary.com
