Friday 6th January 2023

Dear Parents/Carers

We wish you all a Happy New Year and hope that you had a restful, healthy and enjoyable Christmas break.

This term our History, Geography, Art and DT learning will be delivered through the topic 'Once upon a time'. We will be learning all about The Battle of Hastings, castles and castle life and exploring the four countries of the United Kingdom. In Science we will be exploring materials and their properties. Please see the attached plan for more information.

PE

We will continue to have our PE lessons every Monday. Your child will need to come to school in their PE kit on this day. We will not be able to offer spare kit to the children so please ensure that your child is wearing the correct PE kit every Monday. Also, please ensure that all jewellery and earrings are removed on that day.

Homework

Homework will be loaded to Google Classrooms this week. The children will continue to receive weekly spellings on a Friday and will be tested the following Friday. The homework task document will also be available on the Year group page of the school website. Any completed homework should be submitted via Google Classrooms. Photographs or short video clips are an excellent way to record projects or practical pieces of work. We understand that it is sometimes difficult to find time for the children to complete their Learning Tasks, but we do encourage them to complete at least one piece per week.

We are grateful for your continued support and look forward to a productive, busy and above all healthy start to the year.

Yours sincerely

The Year 1 Team
