Physical Features of the Seaside

A seaside **resort** has many **physical features**. **Features** such as the beach, the sea, cliffs and caves have been made naturally. This means they were made by nature.

Human Features of the Seaside

Human features found at the seaside might include the **pier**, the **promenade**, a lighthouse and a fairground. These **features** are all man-made.

Seaside Holidays in the Past

There are lots of seaside **resorts** in the **United Kingdom** that have been popular for many years. In **Victorian** times, people would travel to the seaside to enjoy activities, such as a puppet show, walk along the **promenade** or to go **sea bathing**. The **Victorians** believed that the sea air was good for you and that **sea bathing** would make you healthy.

Europe	Landmarks	Continent Facts
