

Partnership with Parents/Carers

The school aims to work in partnership with parents and carers. We do so by:

- working effectively with all other agencies supporting children and their parents
- giving parents and carers opportunities to play an active and valued role in their child's education
- making parents and carers feel welcome
- encouraging parents and carers to inform school of any difficulties they perceive their child may be having or other needs the child may have which need addressing
- instilling confidence that the school will listen and act appropriately
- focusing on the child's strengths as well as areas of additional need
- allowing parents and carers opportunities to discuss ways in which they and the school can help their child
- agreeing targets for all pupils, in particular, those not making expected progress and, for some pupils identified as having special educational needs, involving parents in the drawing-up and monitoring progress against these targets
- keeping parents and carers informed and giving support during assessment and any related decision-making process
- making parents and carers aware of the local SEND Information and Advice Support Service available as part of the Local Offer. (SENDIASS)
