# Swallowfield Activity Passport

Here at Swallowfield we believe in nurturing the whole child and with this in mind we have come up with a selection of activities to do before you leave Swallowfield.

In line with the Department for Education's Activity Passport, we have created a Swallowfield Activity Passport. Each year group have a list of twenty things to complete over the academic year. These things are to be completed at home. If we do any of the activities at school then you can get an adult to date and sign your passport.

Each time an activity is completed within the academic year, it can be signed and dated by an adult at home. When all twenty things have been achieved, bring your Activity Passport into school to be awarded your year group certificate.

# Busy Bees

## Activity

		Signed	Date
