Dear Parents/Carers,

Welcome back and we wish you a Happy New Year! We hope that you had a good Christmas break and would like to express our thanks for the kind words, cards and gifts we received.

This term in Year 2, we will continue to build on key skills in Maths and English, helping the children grow in confidence with number, problem-solving, reading and writing. In Science, we will be exploring the uses of everyday materials and how they are suited to different purposes. Our Art lessons will focus on landscapes and famous artists, encouraging creativity and observation skills. In Design and Technology, children will learn about a balanced diet and the importance of healthy food choices. Geography will centre on the question *“Why is our world wonderful?”* as children discover the features that make our planet special, while in History we will investigate *How did we learn to fly?*, exploring the exciting history of flight.. Please see the Medium-Term Plan on Google Classroom for more information.

## Homework

Homework will be uploaded to Google Classroom this week. The children will continue to receive **weekly spellings** and will be tested on the following Friday. **Home Learning Tasks** will also be uploaded. Any completed homework should be submitted via Google Classroom. Photographs or short video clips are an excellent way to record projects or practical pieces of work. It will not be necessary to submit spelling practice. We understand that it is sometimes difficult to find time for the children to complete their home learning tasks, but we do encourage them to complete one piece most weeks. We will also be introducing the children to **times tables** and it would be great if these could be practiced at home each week. Please see the separate letter with more information.

## Uniform

Please ensure that children are wearing the correct school uniform. Additionally, please ensure that hair accessories and jewellery are in accordance with our uniform policy. Please refer to the school website for clarification.

## PE

Our PE day continues to be on a **Wednesday**. Your child will need to come to school in their PE kit on this day. We will have indoor and outdoor PE lesson (weather permitting), so the children will need to be appropriately dressed. It might be a good idea to wear shorts under tracksuit bottoms,

a navy-blue sweatshirt or school fleece will be necessary particularly when the weather is colder, and trainers will be better than plimsoles. We will not be able to offer spare kit to the children so please ensure that your child has the correct PE kit every Wednesday. Also, please ensure that all jewellery and earrings are removed on that day.

### **Going Home Arrangements**

Please remember that if your child is going home with someone else please let us know prior to pick up. Without parental consent, we are unable to release your child to anyone else. Please contact the office when notifying us about going home arrangements because teacher's emails may not be checked until after school.

### **Staff**

Alongside the teaching team, we continue to be supported by Miss Alsabiry and Mrs Baker. We are also pleased to welcome Miss Evans, Miss Moreton and Miss Hayler to the Year 2 team who will be supporting the children across the year group.

### **Communication**

Please continue to contact us via email or catch us at the end of the school day. We will endeavour to respond to emails within 48 working hours If the matter is more urgent please contact the school office on [enquiries@swallowfieldprimary.com](mailto:enquiries@swallowfieldprimary.com) or 01908 582101.
