

Swallowfield Primary

Weathercock Close, Woburn Sands, Milton Keynes, MK17 8SR, Tel: 01908 582101

Monday 13th April 2026

Dear Parents/Carers,

Welcome back! We hope you had a lovely Easter break. We are excited about the term ahead and have lots to look forward to.

Curriculum

Please see Google Classroom for our medium term plan which outlines what we will be covering week by week. We are hoping to have a trip to Woburn Safari Park and will communicate details in due course.

PE

The children need to come to school dressed in their PE kit on their year group's PE day. Our PE day is a **Friday**. Please therefore send your child to school in their full PE kit every Friday. They do not need to bring any other clothes with them, except for a coat if it is cold or wet. A full PE kit should consist of a royal blue polo shirt and navy-blue shorts, along with navy joggers or leggings and a navy sweatshirt or fleece, if the weather is cold. Socks and trainers also need to be worn. **No jewellery should be worn on PE days, including earrings.** Long hair should also be tied back please.

Swimming will recommence this week on Friday 17th April. Please ensure your child brings their swimming kit to school on this day. Children can not swim with earrings in and we are unable to remove them in school.

Equipment

Please ensure your child brings a named water bottle to school every day and a morning fruit snack. We ask that the children only have water in their bottles please. They are provided with a piece of fruit in the afternoon. As you are already aware, there are several children at Swallowfield with **severe nut allergies**. With this in mind, please ensure that no food containing nuts is brought into school.

Homework

A selection of homework tasks will be uploaded termly to Google Classroom. If you choose to complete some of these, please upload photos or videos to your child's Google Classroom account for us to see. Spellings will begin again on Friday 1st May. They will be uploaded to Google Classroom each Friday beginning 24th April and the children will be tested the following Friday. We will be reassessing the children's phonics this week and will then adjust spelling groups and Home School Library colours accordingly.

Home School Library will resume on Tuesday 21st April. Please ensure your child's book bag has been returned to school prior to this date. Reading can have such a huge impact on your child's academic progress. We really encourage daily reading at home when possible. Bookbags will need to come into school every **Tuesday** to be changed.

Going Home Arrangements

If your child is going home with someone else please let us know **prior to pick up**. Without parental consent, we are unable to release your child to anyone else. If your child will be going home with someone other than yourself on a regular basis (grandparents, childminders, after school club etc.), it would also be useful to have this in writing via email. For on the day arrangements, please contact the office when notifying us about pick up because teacher's emails may not be checked until after school.

Sun Safety

We are hoping to be blessed with a lot of sunshine over the coming term. Please apply all day sunscreen before school, rather than sending bottles into school. If your child is particularly sensitive to the sun then we would request that you send a named bottle into school that can be kept in the classroom and can be used when necessary. We recommend that children come to school with a named sun hat as we move further into the summer term.

We look forward to working with you and your child throughout the school year.

Kind regards,

Mrs Ballinger
Year One Teachers

Mrs Ford
